North Bend	6.02%

These data show the percentage change in the regular levies for 2000 taxes compared to 1999 taxes, adjusted for new construction and annexations. Regular levies are those that local elected officials have the discretion to impose (within legal limits). They are exclusive of voter-approved excess levies, and of special non-tax charges as Surface Water Management, Fire District Benefits, Soil Conservation and Noxious Weed Fees that will be added to tax bills.
